STENCIL COLLECTION

by Royal Design Studio

Colori, motivi e texture: per me sono questi gli elementi, visivi e fisici, che definiscono uno spazio.
La giusta combinazione di queste componenti racconta l'anima degli spazi attraverso il linguaggio universale del design e parla del bisogno e del desiderio di bellezza nella decorazione che travalica ogni confine.

For me, color, pattern, and texture both visual and physical are the elements in a room that define it.
The right combination of these elements speaks about the soul of the space in the universal language of design, and the need and desire for beautiful decoration that crosses all borders.

— MELANIE ROYALS, Designer

Liberare la creatività è possibile grazie alla Novacolor Stencil Collection.

Let your creativity run free, with the Novacolor Stencil Collection.

Grazie alla collezione di stencil per pareti Novacolor, che ogni anno cresce con nuovi modelli, il decoratore può realizzare un infinito numero di pattern, scegliendo il motivo che preferisce e abbinandolo ad una delle diverse finiture decorative di Novacolor.

With Novacolor collection of wall stencils, which grows every year with new models, decorators can create an infinite number of patterns, choosing the motifs they prefer, combining them with one of the various Novacolor decorative finishes.
